

Residents of Green Trails Phase II

On January 2, 2010, BEST TRASH will be your new trash and recycling collection provider. The days and type of service will remain unchanged.

- Please have trash out by 7:00 am each pick up day.
- Refuse (trash) must be either in containers or bags not exceeding 40 gallons or weighing over 40 pounds.
- Garage door service is for household garbage only. Household garbage is waste generated inside your house.
- Trash bags or containers must be accessible and visible near your back door or garage.
- Best Trash personnel will not go behind any gates to access waste.
- Items excluded from normal collection are dirt, rocks, bricks, concrete, tires, and batteries, motor oil, cooking oil, waste generated by a private contractor or any materials or items deemed hazardous materials.
- Please do not dispose of gasoline, motor oil, paints, cooking oil, or any other liquid items in a container that is not visible.
- Trees, shrubs, brush trimmings and fencing must be bundled in lengths no greater than 4 feet with no branch diameter exceeding 3 inches.
- Items such as appliances, furniture, carpet (up to 1 room, rolled up four feet wide and less than 40 pounds), cardboard boxes (flattened), will be picked up either of your collection days.
- By Federal Law, refrigerators and freezers or any other items containing Freon must be drained of Freon and have an accompanying bill to validate such service was performed.
- Please remove caps, liquids and food products from inside the containers when recycling.
- Please only use the recycle bins for recyclable materials.

Recycling includes all **glass, papers, plastics, aluminum and tin cans** that are placed within the provided recycling bin. If items exceed container capacity, please place them adjacent to bin well marked as recycling materials. If you find items left in your bin, it means they are not recyclable. Please dispose of these items in your trash container for the next scheduled pick up.

Best Trash will provide each current residence with one recycling bin. Best Trash will replace any bins that are defective or otherwise become unusable due to normal wear and tear. Theft, lost or additional bins can be replaced at \$8.00 each by calling Best Trash. The charge will be added to your next water bill.

Holidays: If the regular scheduled pick-up falls on a holiday (New Year's Day, Memorial Day, July 4th - Independence Day, Labor Day, Thanksgiving Day, and Christmas Day), the pick-up will be made on the next regular scheduled pick-up day. If your recycling day falls on a holiday it will be picked up the next week on your normal scheduled recycle day.

An enhanced feature of BEST TRASH is special pick up for items excluded by the contract. If notified in advance, Best Trash will meet with you prior to collection day to determine a price to haul away non-contract items. If you do not notify Best Trash of such a special pick-up before your scheduled pick up day, Best Trash will leave a notice for you to contact Best Trash during normal office hours to arrange for a price and time for the extra pick up.

Best Trash takes great pride in our recycling program and efforts. Ensuring the best recycle program for our customers takes time and effort on both sides. .
